Fall in love with Bones Whiskey in WICKED WHISKEY LOVE, an emotionally riveting, sexy new standalone romance by New York Times bestselling author Melissa Foster. A magnificent love story for those who enjoy fiercely loyal and insanely sexy alpha heroes, smart, sassy heroines, families, bikers, babies, and more!

In WICKED WHISKEY LOVE...

After escaping abusive parents and, later, an abusive relationship, Sarah Beckley has spent a lifetime watching snakes shed their skin. With two small children to care for and another on the way, she's finally found a home in Peaceful Harbor with the brother she hasn't seen in more than a decade. She's still searching for her sister, but life is good. If only she could stop thinking about the sinfully sexy doctor/biker who has taken to her children like a loving uncle—and to her like a hungry man.

Trust doesn't come easily for Sarah, but Bones Whiskey is patient and protective, amazing with her children, and he looks at her like she is the only woman he could ever want—and more. With two little ones underfoot, Sarah expects him to move on quickly, yet with every tender kiss and each trying moment with the children, Bones surprises her. But will the fiercely loyal biker stick around when Sarah's worst secret is revealed, or will he shed his skin, too?
